Agriculture Department, Government of Punjab

**KHAD MELA & Pakistan
Horti Expo 2023 on
January 28th & 29th , at
Expo Center, Lahore.**

Soil Fertility Research Institute, Agriculture Department Government of Punjab in collaboration with Establishment of Model Farms Project organized the KHAD MELA & Pakistan Horti Expo 2023 on January 28th & 29th, at Expo Centre, Lahore. We participated in this event for the first time.

This exclusive event had helped us to strengthen trade relations among domestic & international stakeholders of agriculture and horticulture industry and created awareness among the local farming community about Agritech products.

SECRETARY AGRICULTURE (TASK FORCE) PUNJAB MUHAMMAD SHABIR AHMAD KHAN Visiting AGL Stall.

Dr. Muhammad Qazi, Director Soil Fertility Presenting a shield to Agrietch:
